

# Dealing with Disclosures

**1 in 4 Females  
1 in 8 Males**  
are likely to experience sexual  
violence in their lifetime.

Sexual violence is a major public health issue in our communities. We all need to be aware of it and be able to deal with it safely and effectively.

*Are You Confident in Dealing with Disclosures  
of Sexual Violence?*

**In this one day interactive workshop you will learn about:**

- Historical perspectives, myths and societal beliefs of sexual violence.
- The prevalence, dynamics and effects of sexual violence.
- The legal aspects of sexual violence.
- The practical implications of dealing with disclosures for your client, and you as a professional.
- Effective, safe pathways to responding to a disclosure.
- Services available in your area for survivors and people working with them.
