To The National Executive

ANZASW

This Branch wishes to nominate Johanna Naus - Hanny - for life membership of the association.

For many years we have appreciated Hanny's thoughtful, generous and modestly offered contributions to our branch, of which she is still Treasurer, but we are also aware of her wider contribution to social work and to ANZASW on a national basis.

Hanny has made a considerable contribution as a health and disability social worker and in mentoring the students at Massey Wellington, exceeding her role there as placement coordinator. Hanny is loved for many things not least by her distinguished hospitality and kindness.

You will be more aware of the specifics in how she has served for a number of years on the national executive both as Secretary and as a member with a passion for social justice.

Hanny is always modest and has had to be cajoled into accepting this nomination for life membership which we believe she truly deserves.

Yours sincerely
